

Lodges "Toureves"

Lodges for 10 people, divided into 3 boxes of 2 or 4 seats each equipped with a washroom (toilet, sink, shower)

In the heart of the Cévennes National Park, perched on the eastern slope of Mont Lozère, Toureves is a gazebo where you have a breathtaking view of the "greenhouse" and "vallats" of the Cévennes and beyond, the Mont Ventoux.

This granite farmhouse restored by Michelle and Jacques, an architect in another life, has a certain tranquility to several kilometers from its nearest neighbor.

This site is an ideal base from which to go to the discovery of large areas of heathland and grassland in Mont Lozère or long strips of forest trails snaking his side.

The house is located on the route of the GR68 "Tour du Mont Lozère."
