

Train de l'Andorge en Cévennes - The Andorge Train

In St. Cécile, enjoy yourself riding on the "petit train" or boating on the recreational lake.

In a typical Cévenol landscape, between Ste cecile d'Andorge (Gard) and St Julien des Points (Lozere), come and take a short trip by train with the "train de l'Andorge en Cévennes".

This train is composed of two or three wagons for a total of forty-seven places. You will travel during 1H30 for a journey of three kilometers.

You will discover old structures such as the Andorge's viaduct, the Bamefont's tunnel and notably enjoy the sight of chestnut groves.

Let's go to Ste Cécile d'Andorge for an original travel!!
